San Diego Real Estate Media

With a majority of home buyers starting their home search online, it's important to make the first impression count. Our goal is to shoot your property with the highest quality that will wow buyers, attract offers, and get people in the door.

This checklist serves as a general guideline to help your shoot go as smooth as possible. Please follow this checklist in preparation for your upcoming photo/video shoot.

A Week Before Your Shoot

Exterior

- Clean the yard and prepare your landscaping
- Weed the flower beds and cut the grass
- Ideally all concrete should be pressure washed
- Clean all windows and doors from the outside
- Got a pool? Skim it and make the water blue
- Clean any outdoor furniture or lawn decor

Interior

- Declutter your rooms
- Check to make sure all lights are working
- Replace any blown out lightbulbs
- Vacuum any carpets
- Rid the wall of any dust or spiderwebs
- Clean the window seals
- Wipe the windows clean
- Scrub the floors and any bathroom tiles

The Day of Your Shoot

General

- Be shoot-ready: Cleaning and staging should be done prior to arrival.
- Plan not to be seen: All occupants should plan on either being off the property or remain in areas where they can't be seen during the photo/video shoot.
- Feel free to use the garage for storage" Garages are typically not shot.
